**ASSIGNMENT**

WHEREAS, Frank R. Pieper, C. van Maaskijkstraat 13, 3555 VM Utrecht, Netherlands and Martin Ph. Verbeet, 2nd Oosterparkstraat 239, BM Amsterdam, Amsterdam, Netherlands, hereinafter referred to as "ASSIGNOR," is the owner of rights in certain new and useful improvements as described and set forth in the below-identified application for United States Letters Patent:

Title of Invention: **LYSOSOMAL PROTEINS PRODUCED IN THE MILK OF TRANSGENIC ANIMALS**

Filing Date: July 29, 1996

Serial No.: 08/700,760

WHEREAS, Pharming B.V., of Niels Bohweg 11-13, 2333 CA Leiden, The Netherlands, hereinafter referred to as "ASSIGNEE," wants to acquire an interest in the invention and application and in any Letters Patent and Registrations that may be granted on the same;

For good and valuable consideration, receipt of which is hereby acknowledged by Assignor, Assignor has assigned, and by these presents does assign to Assignee all right, title and interest in and to the invention and application and to all foreign counterparts (including patent, utility model and industrial designs), and in and to any Letters Patent and Registrations which may hereafter be granted on the same in the United States and all countries throughout the world, and to claim the priority from the application as provided by the Paris Convention. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made, for the full term of any Letters Patent and Registrations which may be granted thereon, or of any division, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation or extension thereof.

Assignor further agrees that Assignor will, without charge to Assignee, but at Assignee's expense, (a) cooperate with Assignee in the prosecution of U.S. Patent applications and foreign counterparts on the invention and any improvements, (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer and (c) perform such other acts as Assignee lawfully may request to obtain or maintain Letters Patent and Registrations for the invention and improvements in any and all countries, and to vest title thereto in Assignee, or Assignee's successors and assigns.

IN TESTIMONY WHEREOF, this Assignment is executed this 6<sup>th</sup> day of December, 1996.

## CERTIFICATE

- I, Paul Hubertus Nicolaas Quist, civil-law notary in Amsterdam, hereby certify:
- the articles of association of the company with limited liability (*naamloze vennootschap*) **Pharming Holding N.V.**, (the 'Company') have been amended and the Company is converted from a company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) into a company with limited liability (*naamloze vennootschap*) by deed executed on the twenty-ninth of May nineteen hundred ninety-seven before a legal substitute of N.M.J. Damen, civil-law notary;
  - attached to this certificate is a certified copy of this deed of conversion and amendment to the articles of association of the Company, together with an informal English translation thereof;
  - the articles of association of the Company have been amended afterwards, so that this is not the present consecutive text of the articles of association of the Company;
  - In the English translation, efforts have been made to translate as literal as possible; inevitably, differences may occur in translating and if so, the Dutch text will prevail.

The undersigned is not aware, without having conducted any independent investigation, of any facts or circumstances that would lead to the conclusion that the Company is no longer validly existing as per the date hereof.

Signed in Amsterdam on the eighth day of May two thousand one.

## CONVERSION AND AMENDMENT TO THE ARTICLES OF ASSOCIATION

(Pharming B.V.)

DI/ER/677847/ste/1

On this day, the twenty-ninth of May nineteen hundred and ninety-seven, appeared before me, Anna Jacomijna van der Kuyl, prospective civil-law notary, hereinafter to be called civil-law notary, residing in Amstelveen, acting as a legal substitute for Nelson Marie Joseph Damen, who is on leave, civil law notary residing in Amsterdam:

Georgius Josephus Maria Hersbach, Managing Director, residing at 1411 JZ Naarden, J. van Woensel Kooijlaan 42, born in Rotterdam on the nineteenth of December nineteen hundred fifty-two, married and holder of a Dutch passport with number N09145372,

The appearer declared:

- that with regard to the private company with limited liability: Pharming B.V., with registered seat in Leiden, keeping office at the address 2333 CA Leiden, Niels Bohrweg 11-13 and filed with the Traderegister in Leiden under number 48592, the articles of association were most recently amended by deed executed on the twenty-sixth day of April nineteen hundred and ninety-six before a substitute of N.M.J. Damen, civil law notary residing in Amsterdam, in respect of which amendment the Ministerial Certificate of No Objection was granted on a draft of this deed on the twenty-fifth day of April nineteen hundred and ninety-six under number B.V. 341.904;
- that the general meeting of shareholders of the company, mentioned above, has decided to convert the company into a public company and to change the articles of association of the company;

- that the resolution mentioned above is evidenced by a copy of the minutes of the meeting mentioned above, which copy has been annexed to this deed.

Further the appearer, executing the decision mentioned above, declared that the company will be converted into a public company and that the articles of association of the company will read as follows:

#### DEFINITIONS.

##### ARTICLE 1.

In these articles of association the following expressions shall have the following meanings:

- a. the shareholders meeting: the body of the company formed by shareholders and other persons entitled to vote;
- b. the meeting of shareholders: the meeting of shareholders and other persons entitled to attend these meetings;
- c. the priority: the body of the company formed by holders of priority shares;
- d. those entitled to attend meetings:
  - holders of shares with the right to vote;
  - holders of shares without the right to vote;
  - usufructuaries and pledgees who have been granted the rights conferred by law to holders of depositary receipts for shares issued with the cooperation of a company;
- e. subsidiary:
  - a legal entity in which the company or one or more of its subsidiaries, whether or not by virtue of agreement with other persons who can cast votes, can exercise alone or together more than half of the voting rights in the meeting of shareholders;
  - a legal entity in respect of which the company or one or more of its subsidiaries is a member or shareholder, whether or not by virtue of agreement with

other persons who can cast votes, alone or together can appoint or dismiss more than half the Management Board or members of the Supervisory Board, also in the event all the persons who can cast votes, vote.

A company trading under its own name shall be regarded as a subsidiary, where the company or one or more subsidiaries as partner is fully liable to creditors for debts.

The provisions of this paragraph shall apply notwithstanding the provisions in section 24a paragraphs 3 and 4 Book 2 Dutch Civil Code;

f. group company: a legal entity or company by which the company is joint in a group.

#### NAME AND SEAT.

#### ARTICLE 2.

1. The name of the company is:

Pharming Holding N.V..

2. The company has its official seat in Leiden.

#### OBJECTS.

#### ARTICLE 3.

The objects of the company are:

- to participate in, to finance, to collaborate with, to conduct the management of and provide advice and other services to legal persons and other enterprises;
- to acquire, use and/or assign industrial and intellectual property rights and real property;
- to provide security for the debts of legal persons or of other companies with which the company is affiliated in a group as well as of any third party;
- to undertake all that which is connected to the foregoing or in furtherance thereof,

all in the widest sense of the words.

#### TERM.

#### ARTICLE 4.

- 39 -

Wherefrom this deed, executed in Amsterdam in the form to be kept under a civil law notary's custody on the date stated at the head of the deed at four hours forty minutes post meridiem.

After the contents of this deed had briefly been summed up for the appearer, he declared himself to be acquainted with the contents of this deed and did not require it to be read out in full.

After it had been read in outline, this deed was then signed by the appearer, who is known to me, the notary, and by me, the notary.

(Signed): G.J.M. Hersbach, A.J. van der Kuyl.

On the draft deed the following certificate has been granted:

Docket No. 4064.1002-001

CONFIRMATORY ASSIGNMENT

Whereas, by virtue of an Assignment recorded in the United States Patent and Trademark Office on Reel 011967, Frames 0026-0037, Pharming Holding N.V. (hereinafter "Assignor") of Archimedewweg, 4, 2333 CN, Leiden, Netherlands was an owner of an interest in United States Letters Patent No. 6,118,045, issued September 12, 2000.

Whereas, Genzyme Corporation (hereinafter "Assignee"), a Massachusetts corporation, of 500 Kendall Street, Cambridge, Massachusetts 02142, was desirous of acquiring from Assignor an interest in, to and under the aforesaid Patent and the invention therein described and claimed.

Whereas, in accordance with an agreement dated August 15<sup>th</sup>, 2002 (hereinafter "Agreement"), Assignee acquired from Assignor all of its right, title and interest in the Patent in return for certain obligations to Assignor, including a license on the terms set out in the Agreement.

Now, therefore, Assignor hereby confirms that it has sold, transferred and conveyed to Assignee its entire right, title and interest in, to and under said Patent, and any continuations, reissues, or extensions thereof and the invention therein described and claimed, including all claims, if any, which may have arisen for infringement of the Patent prior to the date of this confirmatory assignment. Assignor retains the license under said Patent on the terms set out in the Agreement.

Assignor further agrees that Assignor will, without demanding any further consideration therefor, at the request but at the expense of Assignee, do all lawful and just acts, including the execution and acknowledgment of instruments, that may be or become necessary for obtaining, sustaining, or reissuing the Patent, and for maintaining and perfecting Assignee's right to the Patent and any continuations, reissues or extensions thereof.

## ASSIGNMENT

WHEREAS, Ans T. Van der Ploeg, 3171 NB Poortgeaal, Meidoorn 27, Netherlands, hereinafter referred to as "ASSIGNOR," is the owner of rights in certain new and useful improvements as described and set forth in the below-identified application for United States Letters Patent:

**Title of Invention:** **LYSOSOMAL PROTEINS PRODUCED IN THE MILK OF TRANSGENIC ANIMALS**

**Filing Date:**

**July 29, 1996**

23 DEC 1996

**Serial No.:**

08/700.760

WHEREAS, Academic Hospital, Rotterdam, The Netherlands, hereinafter referred to as "ASSIGNEE," wants to acquire an interest in the invention and application and in any Letters Patent and Registrations that may be granted on the same;

For good and valuable consideration, receipt of which is hereby acknowledged by Assignor, Assignor has assigned, and by these presents does assign to Assignee all right, title and interest in and to the invention and application and to all foreign counterparts (including patent, utility model and industrial designs), and in and to any Letters Patent and Registrations which may hereafter be granted on the same in the United States and all countries throughout the world, and to claim the priority from the application as provided by the Paris Convention. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made, for the full term of any Letters Patent and Registrations which may be granted thereon, or of any division, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation or extension thereof.

Assignor further agrees that Assignor will, without charge to Assignee, but at Assignee's expense, (a) cooperate with Assignee in the prosecution of U.S. Patent applications and foreign counterparts on the invention and any improvements, (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer and (c) perform such other acts as Assignee lawfully may request to obtain or maintain Letters Patent and Registrations for the invention and improvements in any and all countries, and to vest title thereto in Assignee, or Assignee's successors and assigns.

IN TESTIMONY WHEREOF, this Assignment is executed this 17 day of December, 1996.

WHEREAS, The Universiteit Leiden, of Rapenburg 70, Leiden, The Netherlands, hereinafter referred to as "ASSIGNEE," is desirous of acquiring an interest in the invention and application and in any U.S. Letters Patent and Registrations which may be granted on the same;

For good and valuable consideration, receipt of which is hereby acknowledged by Assignor, Assignor has assigned, and by these presents do assign to Assignee all right, title and interest in and to the invention and application and to all foreign counterparts (including patent, utility model and industrial designs), and in and to any Letters Patent and Registrations which may hereafter be granted on the same in the United States and all countries throughout the world, and to claim the priority from the application as provided by the Paris Convention. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this Assignment not been made, for the full term of any Letters Patent and Registrations which may be granted thereon, or of any division, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation or extension thereof.

Assignor further agrees that he will, without charge to Assignee, but at Assignee's expense, (a) cooperate with Assignee in the prosecution of U.S. Patent applications and foreign counterparts on the invention and any improvements, (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer, and (c) perform such other acts as Assignee lawfully may request to obtain or maintain Letters Patent and Registrations for the invention and improvements in any and all countries, and to vest title thereto in Assignee, or Assignee's successors and assigns.

IN TESTIMONY WHEREOF, Assignor has signed his name on the date indicated.
